M34JCJ03X	6.3

Tubes marked with ##, Red and Blue guns interchanged (test Red gun with Blue controls, and vice versa).

In order to keep your set-up chart up-to-date, it is recommended that you subscribe to the B & K-Precision chart mailing service. These mailings will occur in May and November of each year and will include all the tubes presently listed on your chart plus all new types of CRT's that have come out since the last mailing.

If you wish to take advantage of this service, contact:
